Dear House of Representative Families, Children & Seniors committee,

My name is Debra Collier and I am a Parent Support Partner for Association of Children's Mental Health. I am also a parent of a child with a Serious Emotional Disturbance. My family will be impacted by your decision as well as other parents that I support and work with on a daily basis.

I am asking you to support mental health parity in addition to supporting coverage for children with autism by including a mental health parity bill with SB 414,415,981.

Sincerely,

Debra Collier
